

**REMARKS**

The examiner is thanked for the claims e-mailed by the examiner on March 19, 2008 and the phone conversation regarding same. The claim amendments reflect an agreement reached in a phone conversation of February 10, 2006 between the examiner and Randy Campbell. The Amendments to the claims reflect the examiner's proposed claim amendments which the examiner advised would place the application in condition of allowance if submitted concurrently with a new reissue declaration. A new reissue declaration is submitted concurrently herewith. Accordingly, the application is in condition for allowance and such action is respectfully requested.

If there are any questions or comments that would speed prosecution of this patent application, the examiner is invited to call the undersigned at (317) 231-7341. It is respectfully requested that, if necessary to effect a timely response, this paper be considered as a Petition for an Extension of Time sufficient to effect a timely response and that shortages in fees, if any, be charged, or any overpayment in fees credited, to the Account of Barnes & Thornburg, Deposit Account No. 10-0435 with reference to file 20253-71466.

Respectfully submitted,
